

DriveTime

DriveTime has the used car sales residents are excited about!

If you can't seem to get approved for a used car because of bad credit history, DriveTime is where you want to be. DriveTime is a company that is dedicated to selling used cars to people who have less-than-perfect credit. We can get you into a used car because we do almost all of our own financing. If you want a chance to improve your credit and you're looking for used car sales, DriveTime is your ideal dealer.

DriveTime is different from most auto dealers that you're familiar with. Most dealerships are places that people dread going when they have poor credit history, but there is nothing to fear when you visit a DriveTime. All of our San Antonio stores have a welcoming staff and a family-like feeling throughout the dealership. We care about getting you into a used car that will not worsen your credit, but instead help to improve it. Our staff is dedicated to finding a car that fits your lifestyle and your financial situation.

We really are the RIGHT choice for used car sales

If you're worried about the approval process, don't be! We do 99% of our own financing at our DriveTime locations, which allows us to consider parts of your financial past that outside finance companies wouldn't even look at. Because we are our own finance company, we can almost guarantee that you will be approved and the process is so simple! Just log on to our website at www.DriveTime.com and complete the short online application. Once the application is submitted, it will only take two minutes to know whether you have been approved. If you're approved, then you will need to visit a DriveTime location nearest you to complete the buying process and pick our your new car!

Having in-house financing is not the only benefit our customers receive when they shop at our stores. We also only sell high quality vehicles that we have put through our 53-point inspection process. Every car goes through the inspection process before we even allow them on the lots to make certain that they are quality used cars. We also offer a leading used car warranty with the purchase of every vehicle. And to top it all off, we provide ways to improve your credit score when you make your payments on time. With all these great benefits, why shop anywhere else for used car sales?

For used car sales, DriveTime has everything that you need and more. But don't just take our word for it, stop by a store near you today and discover the DriveTime difference!
